NURSING HOME SPOTLIGHT

With Shirley Wise

There's a hint of fall in the air and for the week of October 9 we're visiting a country Southern gentleman by the name of Cary Norman Clark, better known to his many friends and relatives as simply "Buddy." As he said, "A lot of people don't even know my real name!"

So henceforth, we'll call him "Mr. Buddy," as we consider him our friend.

Mr. Buddy is a jovial, snow-haired gentleman with greenish-brown eyes, a good sense of humor and a sharp wit. He possesses a quick, ever-ready friendly smile and easy laughter. He loves to talk, so he and I "hit it off" marvelously!

Mr. Buddy was born January 4, 1911, in Coffee County, to exact Clark Hill, and to be even more precise, "Clark Hill on Highway 80 West, about four miles from Elba, and 3 1/2 miles from Danley's Crossroads."

He was one of six children born to Mr. and Mrs. George Clark. Mrs. Clark was the former Irene Cooper. Mr. George was born on Clark Hill and Miss Irene was born on the Taylor Mill Road. Mr. George was a farmer.

Mr. Buddy remembers his father as a "little fellow, like me, with black hair" and he remembers his mother as a "pretty lady with real blonde, white hair; we boys got her white hair."

His brothers and sisters are: Gordy, deceased, who was married to the late Ruby Bryan. Mr. Gordy was engaged in the farming and lumber business and Miss Ruby was a teacher.

They had two children - William Gordon Jr., who is the father of one son and is presently living in Florida; and Polly Ann, who is married to John Mayday. They reside in Montgomery where she is employed with Xerox and John is an employee of the State of Alabama. They are the parents of one son.

Henry, deceased, who was married to the late Wynne Boethe. Mr. Henry was also engaged in the farming and lumber business and Miss Wynne was an RN.

They were the parents of four children - Dr. Marilyn Beck, who is married to A.L. Beck and they make their home in Andalusia where Marilyn is a dean at Lurleen B. Wallace Jr. College and A.L. is in the auto parts business. They have two children.

Henry Dove, better known as "Tink" who is married to the former Patricia Looker of New Brockton. They live in Elba where Tink is a truck driver and Pat is employed as an elementary teacher in the Elba City School System. They are the parents of two children.

Joe, who is married to the former Janice Boush. Joe is employed and Janice is employed as a teacher in the Elba system and they have two children.

LaTayne Kriesler, who resides in Manhattan, Kansas, where she is a teacher.

Georgia Corlie who is married to William Odie Kent. Miss Georgia is retired from the recreation department in Shawmut, Ala., and is now a resident of a nursing home in Opelika, and Mr. Kent is also retired from the recreation department. They have two children.

Lila Jo, who is married to Edgar Edwards. They live in Opelika, where Lila Jo is a homemaker and Edgar is with a banking investment firm in Birmingham. They are the parents of three children.

William Clark Kent, whose wife Barbara is a homemaker and he is vice president of the First National Bank of Opelika.

Clara, a much-beloved resident of the city of Elba, who is a retired clerk of the Circuit Court of Coffee County.

Estelle, who was married to the late Emmitt Harper. She is currently residing in a nursing home in Huntsville. Before his death Mr. Emmitt owned and operated a store/meat market in Shawmut. They have two children.

Tossey, who is married to Bob Winkles. They reside in Houston, Texas, where she is a homemaker and Bob is a retired vice president of Exxon.

Donald, whose wife Bernice is a oanker and he is an engineer. They make their home in Huntsville.

The above nieces and nephews lovingly and with much affection call Mr. Buddy "Uncle Buddy."

Mr. Buddy received his early education at Pine Lake, the first nine years and then came to Elba where he said, "I played a little ball - football - guard and tackle - I like it!"

In November of 1970, Mr. Buddy and Miss Annie Laura Fortner were married. She will be more readily known by her nickname of "Lottie" by her family and friends.

What is just a little unusual about the marriage of Mr. Buddy and Miss Lottie is the fact that the groom was 60 years old and had never been married, and the bride was a few years younger, and had never been married either.

It seems they had dated years and years ago and perhaps had even contemplated marriage at some point, but for various sundry reasons had just never gotten around to "tying the knot" until those many years later. Isn't

that a sweet and romantic, happy ending?!

Miss Lottie was the daughter and one of eight children born to Mr. and Mrs. Frank Fortner. Mrs. Fortner was the former Sara Skipper, and Mr. Fortner was a veteran of the Spanish American War. After the war he sold insurance and was engaged in farming.

Her brothers and sisters are: Bill, who is married to the former May Mixon and they reside in the community of Clintonsville. Mr. Bill is the father of five children, and is retired.

Christine, who is married to Frank Nichols. She is a homemaker and Mr. Nichols is retired. They live in the Mt. Pleasant Community and are the parents of four children.

Frank H., deceased, was married to Carrie Bruce. He was retired at the time of his death and living in the Mt. Pleasant Community. He had no children.

Robert, deceased, was married to Madge Sellers. He was a Trailways bus driver who died at the age of 46. He and his wife Madge had one child.

Nettie Grace, deceased, who was married to James Curtis. She was a homemaker and living in Montgomery at the time of her death.

Byrant, deceased, who was married to Margaret Hendrix. He was retired from the Air Force and living in Sumter, S.C., at the time of his death.

Catherine, who was married to the late Jim D. Parker. Catherine is employed with Dorsey Trailers and Mr. Donnie was an employee of the Elba Post Office. They are the parents of two children.

Miss Lottie was a beautician here in Elba for many years.

Mr. Buddy served in WWII six years. We'll try to get his Army odyssey straight: he left Elba in 1940 and returned in 1946. For where he went in those six years, he tells us:

"I went to Blanding Army Camp, somewhere in Florida, for 11 months. Then I went to Ft. McPherson for three months, then to Ft. Ord, Calif., for a year."

"From San Francisco to Ft. Dix, New Jersey, on a troop train, where we got 'equipped out' for a month or so, and from Ft. Dix we 'hit the ship' and landed in Brisbane, Australia, where we stayed for about two-and-a-half years."

"After that, back to San Francisco, then to Seattle, Wash., on a troop train and then to Camp Shelby, Miss., a big Army base. And I got my head, and I got my hair."

When he asked what he did after getting out of the Army, he said he retired from Civil Service at Gunter AFB in Montgomery.

Upon further questioning as to what he did after retiring from Civil Service he laughed heartily and replied, "First one thing and then another! I've done a little of everything and a lot of nothing! I've never made a lot of money - I never craved to!"

He did go on to say that he had

South Alabama Electric To Participate

From: South Alabama Electric Cooperative

Between towns, electric lines travel down quiet country roads, across plains, deserts and mountains, through the bayous - reaching out far and wide to light up the homes, businesses, farms, schools and churches in rural America - connecting communities one with another.

South Alabama Electric Cooperative, along with America's other 40,000 cooperatives, will help celebrate Cooperative Month during the month of October.

Rural electric cooperatives have been, and still are today, one of America's greatest success stories. Over 50 years ago, when electric service was a little more than a spark in many backwoods, a group of people chuckled at the thought of those foolish country folks who had a notion they could run their own electric systems. The rural electric program is one of people working together to fulfill a common need, to better their way of life and improve

their communities.

South Alabama Electric Cooperative is an organization of people working to keep the rural people in Pike, Crenshaw and Coffee counties with electricity. Being a cooperative is important to us because we feel that cooperatives are still the little people's chance in a world of bigness.

No birthdays.

***Thought for the Week: For with God nothing shall be impossible. Luke 1:37

Dr. Linda Wilson, executive assistant to the chancellor, State Dept. of Postsecondary Education, was one of five outstanding Alabama women recognized at the annual Alabama Conference on the Advancement of Women in Public Administration held recently.

Dr. Wilson, along with the other award recipients, was honored for "outstanding contributions to public administration through their professional lives and public service, and assisting other women to advance professionally."

Dr. Wilson, who is married to the late Dr. Wilson, was a member of the Mulberry Baptist Association, abstained from discussion and voting on the matter.

Payment of bills totaling \$11,388.09, while the only other bidder was Joe Money Machinery Co., with a bid of \$12,325.17. The low bid was accepted.

County Revenue Commissioner Ronnie Burns addressed the commission and stated, "I am here to stand up for what I believe."

Burns read from the Sept. 25 issue of *The Elba Clipper* in which the county commission questioned Burns' policy of using banks of funds for the depositary of funds from his office, instead of using the banking institution recommended by the commission. Burns said he felt the commission questioned the efficiency of the employees of his office and also questioned the integrity and honesty of himself by making the statements it made at the Sept. 22 meeting.

The revenue commissioner read from an attorney general's opinion received years ago stating that since the revenue commissioner was responsible for all funds in his office, the commissioner had the option to place the funds in any banking institution of his choice.

Burns declared the attorney general's opinion was clear and not "controversial" as the county commission had stated.

Burns added that 75 percent of the

board's bookkeeper, and after a minimal amount of discussion the board members voted unanimously to approve the budget as presented.

Supt. William Crews stated, "The budget has no real impact on you; however, it does present

a somewhat brighter picture because of the county sales tax. If all the expected revenue comes in as planned the board will be able to operate an excellent school system, meet all obligations and still be able to pay off the debt it now owes."

The budget showed a projected revenue of \$3,946,496.66 for the coming year with \$2,875,545.78 coming from state sources, \$322,073.19 coming from federal sources and \$541,079.64 coming from local sources.

The local sources include \$60,697 from ad valorem taxes, \$234,386 from the new countywide sales tax, \$100,000 from district ad valorem taxes, and \$71,000 from local sources.

The expenditures totaled \$3,694,325.22, of which \$2,724,796.26 is to be used to meet payrolls and benefits.

The meeting began at 5:00 and after the routine approval of minutes the board approved the monthly financial statement, which showed a net balance of \$20,000, after the \$50,000 loan from a local bank.

The school board granted permission for the band to attend the All-American Music Festival in Orlando, Fla., April 23-27 and approved the two-day absence from school for approximately 108 band members.

According to an agenda received by the board, the band will depart Elba after school on Thursday, April 23, and return at approximately 10 p.m. on Monday night, April 27. During the trip the band will compete in both a marching and concert competition, while having time off to do extensive sightseeing.

Frank is retiring to the FHA to attend the National Peanut Festival, with no missing of classes.

In other action at Thursday's meeting, the board:

***approved the charge for use of a school bus from 35 cents a mile to 50 cents a mile;

***was told that the juniors and seniors had completed the graduation exam;

***approved a request for the FHA to attend the National Peanut Festival, with no missing of classes.

Board told future looks brighter due to county sales tax

The Elba City Board of Education held its regular monthly meeting on Thursday night, Oct. 9, and adopted a budget for the 1986-87 fiscal year totaling \$3,694,325.22.

The budget was explained in detail by Mrs. Sylvia Brown, the

board's bookkeeper, and after a minimal amount of discussion the board members voted unanimously to approve the budget as presented.

Supt. William Crews stated, "The budget has no real impact on you; however, it does present

a somewhat brighter picture because of the county sales tax. If all the expected revenue comes in as planned the board will be able to operate an excellent school system, meet all obligations and still be able to pay off the debt it now owes."

The budget showed a projected revenue of \$3,946,496.66 for the coming year with \$2,875,545.78 coming from state sources, \$322,073.19 coming from federal sources and \$541,079.64 coming from local sources.

The local sources include \$60,697 from ad valorem taxes, \$234,386 from the new countywide sales tax, \$100,000 from district ad valorem taxes, and \$71,000 from local sources.

The expenditures totaled \$3,694,325.22, of which \$2,724,796.26 is to be used to meet payrolls and benefits.

The meeting began at 5:00 and after the routine approval of minutes the board approved the monthly financial statement, which showed a net balance of \$20,000, after the \$50,000 loan from a local bank.

The school board granted permission for the band to attend the All-American Music Festival in Orlando, Fla., April 23-27 and approved the two-day absence from school for approximately 108 band members.

According to an agenda received by the board, the band will depart Elba after school on Thursday, April 23, and return at approximately 10 p.m. on Monday night, April 27. Arnold pleads guilty

A rural Coffee County man pleaded guilty last week in Coffee County Circuit Court to one charge of second degree sodomy and two charges of producing obscene material after prosecutors in the case agreed to drop other charges of second degree rape and sexual abuse in a plea bargaining agreement.

Melvin Arnold, age 30, of the Jack Community, was scheduled to go on trial Tuesday, Oct. 7, on a total of five charges, but agreed to the

plea bargain only minutes prior to the beginning of the trial.

Arnold was arrested on Feb. 19 after his wife called sheriff's department officials and reported she had discovered an obscene videotape allegedly filmed by Arnold. The tape reportedly showed Arnold, wearing only socks, participating in sexual acts with two teenage juveniles.

Bill Stokes, Arnold's attorney, asked Circuit Judge Riley Green Tuesday to order a preliminary pre-

sentencing investigation after Arnold entered the three guilty pleas.

Arnold faces prison terms of 10 to 99 years on each charge of producing obscene material, and a 1-to-10-year term on the sodomy charge. The law permits the sentences to be served concurrently or consecutively, and following Tuesday's action, District Attorney Joel Folmar said the state would recommend the sentences be served concurrently.

Folmar said the recommendation would be made with the understanding that the state is not recommending a sentence and that the state's recommendation for concurrent sentences is not binding on the judge.

Folmar stated Arnold's attorney requested the plea bargaining agreement and it was agreed upon for the welfare of the juveniles involved.

In other action at Thursday's meeting, the board:

***approved the charge for use of a school bus from 35 cents a mile to 50 cents a mile;

Brainstorms

With Ferrin Cox

The weather is cooling off a bit. This means that fall is finally here. In fact we have noticed some long sleeves around town and expect to see a few jackets by Thursday morning when the weatherman promises temperatures into the 40's. We like this cooler weather, but if we look forward a bit, we see cold, and this we don't exactly like. As a lady told us at the post office this morning, just enjoy it today and don't worry about tomorrow.

Alabama politicians will not let the governor's race get off the front pages of the news. We mean nationwide. In case you are wondering, the comments ain't good about our squabbles in politics. Probably the hardest-hitting was in the *Christian Science Monitor* which... well, it wasn't complimentary.

The shuttle disaster that took the lives of seven of America's finest has sent shock waves through the nation's space program. There have been changes, and more will follow, we are sure. Probably the most lasting change is the move to privatize something the government had virtual locks on before. We feel this is good because rarely can the government do a job better than private enterprise, when that private enterprise is motivated by the profit potential. We all deeply regret the death of our space crew, but nothing will bring them back, and if for no other reason than respect for them, let's profit by the past mistakes.

About the only positive news coming out of Washington in the last few months has been the naming of a national flower. The rose is now official (or will be when the president signs the resolution)... like maybe in the rose garden).

There is some real exciting news making the rounds lately, even though it didn't make the front page, nor the 6 o'clock news. A new humane mouse trap has been announced. Now this one works (they say) and doesn't hurt the little of mouse at all. You can take him outside and turn him loose. Rest assured we will not be turning any mouse loose outside just to come right back into the house, garage or shed.

There is some real exciting news making the rounds lately, even though it didn't make the front page, nor the 6 o'clock news. A new humane mouse trap has been announced. Now this one works (they say) and doesn't hurt the little of mouse at all. You can take him outside and turn him loose. Rest assured we will not be turning any mouse loose outside just to come right back into the house, garage or shed.

Some more good news - and this is really good news - is that researchers have discovered a way to cut the cholesterol content of food. Experts at the University of Wisconsin developed a way to heat up the food under pressure and percolate carbon dioxide through it, and this reportedly gets 90 to 95 percent of that blood vessel-clogging stuff out of our food. They also say it doesn't alter the taste buds either.

With the possibility of cooler weather over the hill, our No. 2 son took a jacket to the football game in Louisville last week. Needless to say, he forgot and left it lying there. We went back, but it wasn't there. If you happen to know who picked it up for us, please pass this word on to them. While we are on this matter, we need to challenge Rep. Jimmy Holley. He had some smart remarks to make about us being headed in the wrong direction as the fans were leaving the Louisville field. Well, we agreed at that time, but noticed locals going out the other way and decided to follow, since we couldn't do anything else. Well, by golly, it turned out we got ahead of all the others, because that was a straight shot back to the highway... now Mr. Holley, go back to Montgomery and pass some more laws and leave the driving to us.

National Peanut Festival

Recipe Contest To Be Held

The Alabama Peanut Producers Association has joined with National Peanut Festival, Florida Peanut Producers and the Georgia Agriculture Commodity Commission for Peanuts in Sponsoring the National Peanut Festival Recipe Contest on October 21 at the NPF Fairgrounds.

The contest is open to entrants from Alabama, Florida and Georgia. Recipes may be submitted in four categories: cakes, cookies, candies and pies. All recipes must feature peanut butter, peanuts or other peanut products according to Recipe Chairman Lou Kipp, Assistant Treasurer of APFA.

Ms. King noted, "All entries must be prepared and brought to the Houston County Extension Service at the fairgrounds on October 21 at 9:00 a.m. All recipes must be written on an official entry form and accompany the dish on the day of the contest. A detailed recipe must accompany each entry. Entry forms may be obtained by calling the National Peanut Festival at 94-4323.

Judges from the tri-states are in each category on the basis of excellence in flavor, texture, appearance, originality and the effective use of peanut products.

First prize in each area of competition is \$50 and a blue ribbon; second prize is \$25 and a red ribbon; third prize is \$20 and a white ribbon; fourth prize is \$15 and pink ribbon; and fifth prize is \$10 and a yellow ribbon. Five honorable mention prizes of \$5 and ribbons will be awarded in each category.

First place winners in each category will be judged for an overall grand prize of \$100, a rosette and a silver bowl. The grand prize winner will be featured at the National Peanut Festival Parade on Saturday morning.

The National Peanut Festival reserves the right to disqualify any recipe it feels is not original. All entries become the property of the contest sponsors.

History Lives At Fort Toulouse

It's like walking back through time. Once a month, a handful of volunteers don costumes, pick up archaic tools, and go to work recreating the lifestyles of people who lived 250 years ago. They are part of a program called Living History at Fort Toulouse-Jackson.

Located between Montgomery and Wetumpka, Fort Toulouse was built by the French in 1717. The last possession of the outpost to the British in 1763. Fifty years later, Andrew Jackson built Fort Jackson on the same site.

The Living History program duplicates living conditions at the fort during the 1750s. The volunteers, known as the French Marines, are laymen who enjoy stepping back in time for a weekend. They wear authentic costumes which they have painstakingly researched for accuracy, and they use 18th century tools and utensils as they go about their daily activities of cooking, trading, cane building, blacksmithing, and leather making. They also participate in a little old-fashioned fun such as axe-throwing competitions.

The Living History program occurs the third weekend of the month, April through November. Admission to the park is free. For more information, contact Fort Toulouse-Jackson At Rt. 6, Box 6, Wetumpka, AL 36092; telephone 205-667-3002.

State To Have Job Openings

The Alabama State Personnel Dept. has announced examinations for filling present vacancies in the following positions:

Biologist I (Wildlife Option - \$45,516.98 - \$25,729.22)
Accountant IV (\$29,094 - \$44,330)
Architect II (\$30,576 - \$46,618)
Building Commission Architect - Administrator (\$32,136 - \$48,906)
Automotive Mechanic Assistant (\$12,620 - \$17,831)
Maintenance Repairer (\$12,620 - \$17,831)

*Plumber (\$15,366 - \$22,807)
*Carpenter (\$14,986 - \$22,251)
*Painter (\$14,986 - \$22,251)

Full information and application forms may be obtained from the State Personnel Dept. at Montgomery, or from any local office of the State Employment Service. Applications should be filed by October 27, 1986.

*These positions will be open until further notice.

County conservation specialist Steve Musser listens as Billy Hawthorne looks across field and tells of future plans. Hawthorne stated that the Soil Conservation Service played a major role in the success of his farm, near Kingston.

Hawthorne Believes Hard Work And Luck Play A Big Part In Success

In recent years the plight of the American farmer has been highly publicized through the media and even in films, and people were led to believe that the only fate awaiting farmers was a public auction and an unemployment line.

While it is true that all farmers face hard times, and a successful crop is dependent on the fickle nature of the weather, some farmers are still making a go of small country farms, and one such success story is that of the Billy Hawthorne family of Kingston.

Billy Hawthorne, his wife Carmelita and their eight children moved to rural Coffee County in 1979 from Opp to "get back into farming," and seven years later some of the kids are gone and grandchildren play where their parents once did; however, the farm is bigger than ever and Billy Hawthorne can't help but smile as he looks over "his place."

"I had always farmed when I was growing up," Billy said, "and I remembered Hawthorne, 'but when I got married it was time to get a job and start raising a family."

"I never lost my desire to farm and always kept a small garden. But I wanted my own place, and back in '79 we bought the farm, and it was just over the hill from where I was raised. It was a new place to live, but at the same time it was like coming home."

Hawthorne, who worked the night shift at Dorsey for 14 years until taking a layoff last week, reported he started out with a two-row tractor, a two-row planter and a disc in '79 and "lost everything I put out."

"I'll admit I thought about quitting," Hawthorne said, "but I wanted to give it my best shot and stuck with it. I mowed a little corn in 1981 and planted peanuts, soybeans and corn, and had a good year. Since then I've been lucky and have had a series of good years."

"This year I planted 70 acres of corn and 115 acres of peanuts, and it's going to be a real good year for the peanuts and a pretty good year for the corn."

"If I didn't farm I'd have a hard time making a go of it. I know I had year would wipe us out, but so far the Lord has watched over us, we've worked hard and it's been a success."

"If I ever do lose it, I think I'll be able to walk away knowing I gave it my best shot and that there wasn't anything else I could have done."

A long-term project Hawthorne is involved in is a five-year agreement with the federal government to prevent and repair erosion on his farm.

"When I first saw this place it looked like most of the land was washing away," stated Hawthorne, "but I wanted it, bought it and with a lot of work and a lot of help, it now looks like I had imagined it."

Deep gullies crisscrossed the field behind the Hawthorne home, almost cutting the farm in half; however, a cut for help was answered by local conservation experts and the gully problem is one that will soon be just a memory.

The long-term agreement under which the problem has been tackled is between the farmer and the Agricultural Stabilization and Conservation Service (ASCS), in conjunction with the Soil Conservation Service (SCS).

Under the program, the farmer agrees to share the cost of erosion control and the government guarantees to pay \$3500 a year to aid in the work.

At the Hawthorne farm the erosion control has consisted of the construction of several dams to stop the flow of water, and an intricate system of pipes to transfer water and prevent flooding. A newly placed field now sits where two gullies once ran.

gully marred the land, and other gullies are also filling in.

"I plan to buy some cattle and let them graze on the land that used to be nothing but a series of gullies," Hawthorne said. "However, I couldn't have done it without the help of the ASCS and SCS. Their help was the key."

Hawthorne was getting into farming when most farmers were getting out, and when asked about what it takes to be a farmer, Hawthorne smiles and says, "luck and work."

"If you're not willing to work long hours and sweat, you won't make it," he said.

"I think most people can still make it in farming, but they have to work hard and save whenever possible. You can't go out and buy a lot of fancy equipment you don't really need. Get just what you need, and can afford and work hard. You can't take off and go fishing when you want to, and you have to watch your money - but it can be done!"

Ellie Mae Ellenburg, 71, died Friday, October 10, 1986, in a Birmingham hospital. Funeral services were held Sunday, October 12, at 2 p.m. from Hayes Funeral Home Chapel, with Rev. Wayne Webber officiating. Burial followed in the Pine Level Cemetery with Hayes directing.

Survivors include her husband - Earnest Ellenburg, Elba; one sister - Evie Dean Tillery, Plant City, Fla.; one brother - William Booth, Brantley.

James Homer Ennis, 77, of Winter Haven, Fla., died Sept. 15, 1986, at the Winter Haven Hospital. Funeral services were held Sept. 18, at 10 a.m. from the Berea Baptist Church in Auburndale, Fla., with the Rev. J.W. Board and Rev. Larry Gandy officiating. Burial was in Auburndale Memorial Park, with Kersey Funeral Home of Auburndale directing.

Mr. Ennis was a native of Opp, but had been a resident of Winter Haven since 1950. He was a retired farmer.

Survivors include three sons: Bud Ennis, Winter Haven; Wathan Ennis, Panama City, Fla.; Tommy Ennis, Sarasota, Fla.; one daughter - Hazel Stafford, Auburndale; one brother - Cecil Ennis, Auburndale; four sisters: Mamie Taylor, Alberta Williams, and Ida Mae Givins, all of Mobile; Margaret Himmelberger, Staten Island, N.Y.; 21 grandchildren, 28 grand grandchildren.

IRENE SEYMORE REYNOLDS Mrs. Irene Seymore Reynolds, age 62, died October 7, 1986, in a Montgomery hospital.

Funeral services were held October 10, at 11 a.m. from the Lowers Church of Christ, with Ladon Cousins officiating. Burial was in Hillcrest Cemetery, with Hayes Funeral Home directing.

Survivors include her husband - William Vester Reynolds, Kingston; two sons - James Richard "Rick" Seymore, Orlando, Fla.; Randolph D. Seymore, Rome, Ga.; two sisters - Juanita Haines, Columbus, Ga.; Laura Oliver, W. Palm Beach, Fla.; three brothers - Calvin Davis, Warner Robins, Ga.; James P.

Monday - Chili Dog, French Fries, Baked Potato, Nachos, Onion Rings, Pasta Salad, Tia Lemaonde

Tuesday - Chicken Pot Pie, Sandwich, other same as Monday

Wednesday - Barbecue Sandwich, other same as Monday

Thursday - Pizza - other same as Monday

Coffee County Baptist To Meet

The 79th session of the Coffee County Baptist Association will convene at Park Avenue Baptist Church, Enterprise, at 6:00 p.m. October 16 for a 2 day meeting.

Guest speakers will include Dr. A. Earl Potts, Executive Secretary of the State Board of Missions, Alabama Baptist State Convention, and Bruce Hose, State Sunday School Director. Representatives from the various agencies of the convention will also be present.

On Thursday evening the moderator, J. Ralph Jones, will bring the message. On Friday the meeting will be held at Hillcrest Baptist Church, Enterprise. A tribute will be given to retired ministers of Coffee County. The host church will serve a complimentary lunch on Friday. J. F. Kelley is Director of Missions and E. L. Dean is clerk of the Association.

There will be a gospel singing at the Church of God of Prophecy at 647 N. Clanton St., Saturday, Oct. 18, beginning at 7:30 p.m.

Featured groups will be the Faith Shogers and the Faith Chapel Youth Choir.

Pastor J.E. Wesley invites everyone to attend.

Church Of God Of Prophecy To Sell BBO

Z.C. Has Outgrown Its Lunchroom

BY: ASTRID BLASCHKA

The administration and the lunchroom staff have been working to solve the problem. The elementary staff has divided their lunch schedule by grades. The sixth grade goes at 10:55, fifth at 10:53, fourth at 10:50, third at 11:05, second at 11:10, first

at 11:13 and the kindergarten at 11:17. The Zion Chapel lunchroom was built almost 15 years ago when the student body was much smaller. In recent years the student population has almost doubled and overcrowding in the lunchroom has become a major problem.

Junior high students begin their lunch at 11:44. They must finish and be out by 12:14. Between 12:14 and 12:38, when senior high lunch begins, the lunchroom staff prepares for their next round of serving. Senior high students leave at 1:08 to begin their sixth hour class. During the junior high and senior high lunch period, students who do not wish to eat in the lunchroom sit at tables set up outside the lunchroom.

The students are offered a regular lunch tray or "a la carte." The regular tray is a balanced meal. The "a la carte" line offers a choice of sandwiches, french fries, or salad. The staff members are Jessie Merle Lewis, Clara Wambles, Landis Walden, Christine Baker, Jeannia Parker, manager, and Barbara Amstrong, bookkeeper.

The lunch program is centralized with Kinston and New Brooklyn, therefore keeping the possibility of changes limited. Mrs. Parker said that she would like a larger dining area and cash registers to move lines faster, but the staff does a good job with what they have.

When Mrs. Parker was asked if there were any plans for improvement in the lunchroom, she said, "I feel each day we can make improvements. Each day we learn; therefore, you improve yourself whatever the job you undertake. I would like a larger dining area for the students to enjoy their lunches and longer periods for each class. We do not have the facilities for an "a la carte" program but the ladies that work in that area do a good job with what they have to work with. The student body could make a big improvement, by understanding and cooperating in our small area. We should try to control our noise level and each student should follow table manners.

Zion Chapel Beta Club Initiates New Members

BY: TAMMY DUNCAN

Every fall the Beta Club invites new members to join the Beta Club. Anyone invited must have an overall 90 average. New members also have to be initiated. Thursday, October 2 each Beta Club initiate was asked to dress and play the roles of a Walt Disney Character. The initiate with the best costume won \$5.

The initiates were harassed by Beta Club members throughout the day. They were asked to sing Row-Row Your Boat in the lunchroom, propose to a teacher and to portray the role of their character. If the initiate refused to do the things they were asked to do they had to pay that club member a quarter. The money collected by the Beta Club members went into the club's fund.

Beta Club initiates were Roland Bull, Mickey Mouse; Lisa Holcomb, Minnie Mouse (costume winner); Astrid Blaschka, Donald Duck; Jane Davis, Goofy; Susan Snodgrass, Peter Pan; Rhonda Jackson, Pinocchio; Dana Dean, Tinker Bell; Jackie Herbert, Snow White; Michelle McLendon, Wicked Queen; Donna Parker, Sneezy; Sandy Flowers, Alice in Wonderland; Sabrina Griffin, Tweedledee, and Pam Franklin, Tweedledum.

Beta Club sponsor is Mrs. Mary Herbert.

Homecoming Activities

By: Tammy Duncan

Wandering up and down the halls at Zion Chapel on Homecoming day could have been hazardous to your health. Hazardous that is, if you were allergic to red and white and a lot of school spirit. Everyone at Z.C. showed their school spirit either by wearing school colors or by wearing a 1986 Homecoming spirit badge. The doors and walls at Z.C. were also decorated by the student body and the Varsity Cheerleaders. Each sign that was displayed represented Z.C. in what we hoped would be a victory over the Coffee Springs Bears.

At 2:00 p.m. everyone gathered at the football stadium for one of the most memorable Homecoming pep rallies ever. It began with Z.C.'s fight song "Dixie" which was played by the Zion Chapel Rebel Marching Band. At little Mr. and Miss Zion Chapel, Michelle Sawyer and Jamie Hall, the Homecoming Queen Astrid Blaschka, and her court were being escorted onto the field the band played "Feels So Right." Other songs that were played were "Louie Louie," "C-Jam," and "God Bless the U.S.A."

After the presentation of the Homecoming Queen, the Varsity

Cheerleaders played a special thanks to their sponsor, Mrs. Marsha Oggs by presenting roses and a gift. The Varsity Cheerleaders did a dance routine to "Body to Body" and then with the help of Sean Collins and Bryan Amstrong, two of Zion Chapel's varsity football players, they formed a triangle. Varsity Cheerleader sponsor and Home Economics teacher Mrs. Marsha Oggs, revealed one of her most sought after recipes on the "Winning Team." Everyone could hardly wait. The Junior Varsity Cheerleaders also performed during

the pep rally along with Mrs. Betty McIntosh's and Mrs. Sylvia Hudson's third grade classes.

Mr. Densby Lowery, elementary principal was presented with a special spirit stick from the Varsity Cheerleaders for the elementary kids.

Every Friday during the pep rally there is a contest to find out which class has the most spirit for that week. The class that can make the most noise wins the spirit stick. Homecoming week spirit stick winner went to the ninth grade.

The winners of the door decoration contest, which was held earlier in the day, was announced by Zion Chapel's principal Mr. Nelson Whitehurst. First place winner went to the tenth grade, who received a plaque, second place went to the eleventh grade, third place went to the ninth grade and honorable mention was the seventh grade.

The pep rally ended with a special speech from varsity head Coach Tom Moates as he talked about what he wanted to be a victory over the Bears. He then paid special thanks to everyone for their support, he called special attention to the Senior football players and the captains for the team, Brian McLeod and Douglas Evans. As he closed his speech he thanked the Varsity Cheerleaders and their sponsor Mrs. Oggs for all their support. They were all presented with corsages from the coaches and team.

Homecoming night was filled with excitement as the 7 p.m. hour approached. The night began with the introduction of Zion Chapel's Little Mr. and Miss Michelle Sawyer and Jamie Hall, and the Queen and her court. The band played "Feels So Right" as they all came onto the field. The Zion Chapel Chorus then sang the "Alma Mater."

The ballgame began with a moment of prayer. The "Star Spangled Banner" was played by the Z.C. Band as the American Flag was raised.

A victory line and a spirit banner which read "Pride of the South" was made for the varsity football team to run through. As the team came onto the field, the Varsity Cheerleaders let red and white balloons go! balloons go!

At half-time, the Varsity Cheerleaders did a dance to "Body to Body". The Z.C. Rebel Marching Band performed "Fire Dance" and a drum solo, "Take the A-Train". The band played a special tribute to Florida's Disney World and Sea World which they visited last year. Two of everyone's favorite stars from Disney World, Mickey Mouse and Tinkerbell visited the half-time show. Mickey Mouse was played by Tammy Duncan and Tinkerbell was played by Laura Brown. The band played "Wish Upon A Star" and the Mickey Mouse song. The band ended the half-time performance by playing "C-Jam," "God Bless the U.S.A.," and "Dixie".

After the ballgame, everyone was invited to attend the Homecoming Dance which was held in the gym.

The planet Neptune is temporarily the one furthest from the sun. Pluto's orbit brought it inside Neptune's in 1979. It will remain that way until 2000.

Tammy Duncan Is The High Salesman

For the past few weeks the Junior Class, in an effort to raise money to cover expenses of the 1986-87 Junior Senior Prom, has been selling cassette tapes, records, and magazines.

A selection could be made from anything ranging from George Jones to Prince or from "Humpty Dumpty" to "Newsweek".

There were prizes awarded for certain amounts sold. When student had \$200 in sales, he received a bag radio; when sales totaled \$150, he received a stuffed animal; \$100 a brass "Class of '86" key chain; \$50 - an Alabama or Auburn mug.

Top sales person was Tammy Duncan with \$358.74 sold, second was Melody Bray with \$314.17 and third was Gina Huckabaa with \$289.03.

The total amount of sales was \$3436.46.

COACH WAYNE HOLLEY, Z.C.'s World History teacher, has recently completed a study of China as an art project. The students were asked to bring articles to class representative of Chinese Culture. Chop-Sticks, Chinese clothing, pictures, and money were among the exhibits brought in for presentation. Reports were given on the subjects of jewelry, poems, The Great Wall of China, China's climate, Heart of China and the size and population of China. Each student received a grade on what he or she did. Coach Holley said that he was very pleased at the participation of the class because the students found it very interesting.

Z.C. Briefs

GIFTED STUDENTS AT Z.C.

By: Connie Flowers

"I believe that all children are special." That was a statement made by Zion Chapel's gifted-education teacher, Mrs. Elizabeth Dyes, "but there are children that are considered gifted."

To be considered for the gifted class the students must make a certain score on the achievement test. Then they are given an intelligence test by a certified psychologist on which a minimum score must be obtained. If the student achieves this score they may be placed in the program, but only with parental permission.

Mrs. Dyes presently has seven students enrolled in her class at Zion Chapel. She works with these students on Fridays from 8:30 a.m. until 2:30 p.m.

Mrs. Dyes said that more students will be added to the class after testing is completed.

The students that are enrolled in the gifted class are not always the ones that do the best in the classroom with their regular teacher. The enrolled students at Zion Chapel are Joe Carney, Angie Eddins, Stacey Brooks, Joie Herbert, Amber Wilson, Samella Green, and Beverly Flowers.

REBEL 87 CHANGES TO FALL DELIVERY

By: Camille Marler, Brian McLeod, Diane Parker, and Sharon Pope

For the first time in twenty-seven years the delivery of "The Rebel" will be in the fall instead of the spring. This was based on a decision of the annual staff and sponsor, Rachel Bryan. The advantages of fall delivery include the coverage of the full '86-'87 basketball season, the most current prom instead of the prom of the year before, the Miss Jack Pageant, and for the first time ever - graduation.

A possible disadvantage of a fall delivery is that the seniors of '87 will not have the opportunity of having their yearbooks signed by classmates. But there is a possibility that the seniors can have an autograph party after the yearbooks are delivered in August.

The cost of "Rebel 87" will be twenty dollars and an extra two dollars for the student's name printed on the cover.

CAMPUS BEAUTY PAGEANT WILL BE HELD NOV. 15

By: Camille Marler, Brian McLeod, Diane Parker, and Sharon Pope

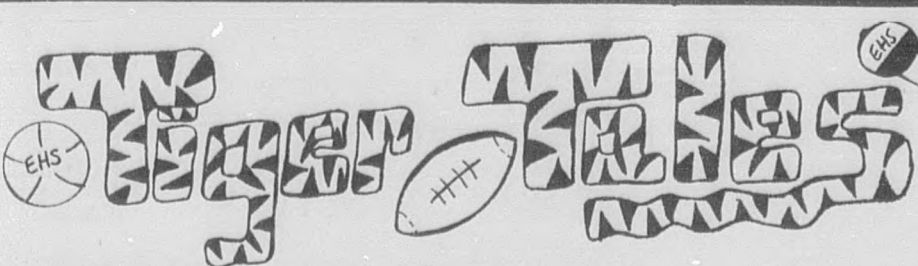

The Zion Chapel Annual Staff will sponsor the 1986-87 Campus Beauty Pageant on the evening of November 15, 1986 at 7:00 p.m.

There will be three divisions of the pageant: the first division will be elementary beauty - grades K-4, the second division will be junior high beauty - grades 5-8, and the last division will be senior high beauty - grades 9-12.

Elementary and junior high contestants are asked to wear evening gowns. There will be some type of entertainment provided between divisions.

Registration for the pageant will begin on October 22 and the deadline is October 31. There is no entry fee. Entrance forms can be obtained from Mrs. Rachel Bryan.

The pageant will be held in the high school gymnasium and admission will be \$2.00 for the student advance tickets and all tickets at the door will be \$3.00.

Promises

When was the last time you depended on someone, but he/she lied to keep that commitment or promise? Do you recall your disappointment? Promises are very important. If a friend promised to tip you this weekend with an important English test that was to be taken first thing Monday morning and he didn't show up, you would feel frustrated and hurt.

Through the ages, people have put a premium on promises made during the time when agreements are sealed by a word and handshake, a man's reputation was severely damaged if he failed to keep a word. One of the worst things in

life was to be labeled a person who did not keep a promise. Paul tells us promises are extremely important. "Even in every day life, a promise made by one man to another, if it is written down and signed, cannot be changed. He cannot decide afterward to do something else instead." (Gal. 3:15)

Promises are to be kept. Guard against the tendency to make rash promises without weighing the commitment they will require. Even though people may break promises, God cannot. He has never broken His word. We can trust God to do everything He has promised.

DONNIE FARRIS is the seventeen year old son of Mr. and Mrs. Wayne Farris. He is a member of FFA, VICA and a member of New Haven Baptist Church. His favorite teacher is Mrs. Tucker and his favorite subject is Computer Science. Donnie placed 2nd in the FFA District small engine contest and claims that participating and doing as well as he did in this contest has been the most memorable time in high school. Donnie plans to attend Troy State University after graduation.

SCOTT MCINTOSH is the seventeen year old son of Mr. and Mrs. Bobby McIntosh. He is a member of VICA and is a member of Westside Baptist Church of Elba. His favorite teacher is Mr. Lewis and his favorite subject is Auto Mechanics. Becoming a senior has been the most memorable time in high school for "Cool Whip" (ha, ha). Scott plans to attend MacArthur Technical school after graduation.

KEVIN BURKE is the seventeen year old son of Mr. and Mrs. Bill Burke. He is a member of FFA, E Club, FBLA and is a member of Whitewater Baptist Church. His favorite teacher is Mr. Carney and his favorite subject is VICA. His most memorable time in high school was working on and attending the Jr./Sr. Prom. Kevin plans to attend college after graduation.

When was the last time you depended on someone, but he/she lied to keep that commitment or promise? Do you recall your disappointment? Promises are very important. If a friend promised to tip you this weekend with an important English test that was to be taken first thing Monday morning and he didn't show up, you would feel frustrated and hurt.

MYSTERY PERSON

Z.C. Has Outgrown Its Lunchroom

BY: ASTRID BLASCHKA

The administration and the lunchroom staff have been working to solve the problem. The elementary has divided their lunch schedule by grades. The sixth grade goes at 10:53, fifth at 10:53, fourth at 10:56, third at 11:05, second at 11:10, first at 11:17.

The Zion Chapel lunchroom was built almost 15 years ago when the student body was much smaller. In recent years the student population has almost doubled and overcrowding in the lunchroom has become a major problem.

Junior high students begin their lunch at 11:44. They must finish and be out by 12:14. Between 12:14 and 12:38, when senior high lunch begins, the lunchroom staff prepares for their next round of serving. Senior high students leave at 1:08 to begin their sixth hour class. During the junior high and senior high lunch period, students who do not wish to eat in the lunchroom sit at tables set up outside the lunchroom.

The students are offered a regular lunch tray or "a la carte." The regular tray is a balanced meal. The "a la carte" line offers a choice of sandwiches, french fries, or salad. The staff members are Jessie Merle Lewis, Clara Wambles, Landis Walden, Christine Baker, Jeanaria Parker, manager, and Barbara Among, bookkeeper.

The lunch program is centralized with Kinston and New Brockton, therefore keeping the possibility of changes limited. Mrs. Parker said that she would like a larger dining area and cash registers to move lines faster, but the staff does a good job with what they have.

When Mrs. Parker was asked if there were any plans for improvement in the lunchroom, she said, "I feel each day we can make improvements. Each day we learn; therefore, you improve yourself whatever the job you undertake. I would like a larger dining area for the students to enjoy their lunches and longer periods for each class. We do not have the facilities for an "a la carte" program but the ladies that work in that area do a good job with what they have to work with. The student body could make a big improvement, by understanding and cooperating in our small area. We should try to control our noise level and each student should follow table manners."

BY: TAMMY DUNCAN

Every fall the Beta Club invites new members to join the Beta Club. Anyone invited must have an overall 90 average. New members also have to be initiated. Thursday, October 2 each Beta Club initiate was asked to dress and play the roles of a Walt Disney Character. The initiate with the best costume won \$5.

The initiates were harassed by Beta Club members throughout the day. They were asked to sing Row-Row Your Boat in the lunchroom, proposing to a teacher and to portray the role of their character. If the initiate refused to do the things they were asked to do they had to pay that club member a quarter. The money collected by the Beta Club members went into the club's fund.

Beta Club initiates were Roland Bell, Mickey Mouse; Lisa Holcomb, Minnie Mouse (costume winner); Astrid Blaschka, Donald Duck; Jane Davis, Goofy; Susan Snodgrass, Peter Pan; Rhonda Jackson, Pinocchio; Dean, Tinker Bell; Jackie Herbert, Snow White; Michelle McLendon, Wicked Queen; Donna Parker, Sneezey; Sandy Flowers, Alice in Wonderland; Sabarina Griffin, Tweedledum, and Pam Franklin, Tweedledee.

Beta Club sponsor is Mrs. Mary Herbert.

Zion Chapel Beta Club Initiates New Members

Homecoming Activities

By: Tammy Duncan

Wandering up and down the halls at Zion Chapel on Homecoming day could have been hazardous to your health. Hazardous that is, if you were allergic to red and white and a lot of school spirit. Everyone at Z.C. showed their school spirit either by wearing school colors or by wearing a 1986 Homecoming spirit badge. The doors and walls at Z.C. were also decorated by the student body and the Varsity Cheerleaders. Each sign that was displayed represented Z.C. in a way we hoped would be a victory over the Coffee Springs Bears.

At 2:00 p.m. everyone gathered at the football stadium for one of the most memorable Homecoming pep rallies ever. It began with Z.C.'s fight song "Dixie" which was played by the Zion Chapel Rebel Marching Band. At little Mr. and Miss Zion Chapel, Michelle Sawyer and Jamie Hall, the Homecoming Queen Astrid Blaschka, and her court were being escorted onto the field the band played "Feels So Right." Other songs that were played were "Louie Louie," "McAin," and "God Bless the U.S.A."

After the presentation of the Homecoming Queen, the Varsity

Cheerleaders played a special thanks to their sponsor, Mrs. Marsha Oggs by presenting roses and a gift. The Varsity Cheerleaders did a dance routine to "Body to Body", three candy and with the help of Sean Collins and Brian Among, two of Zion Chapel's varsity football players, they formed a triangle. Varsity Cheerleader sponsor and Home Economics teacher Mrs. Marsha Oggs revealed one of her most sought after recipes on a Winning Team. Everyone could hardly wait. The Junior Varsity Cheerleaders also performed during

the pep rally along with Mrs. Betty McIntosh's and Mrs. Sylvia Holcomb's third grade classes.

The Varsity Lower elementary principal was presented with a special spirit stick from the Varsity Cheerleaders for the elementary kids.

Every Friday during the pep rally there is a contest to find out which class has the most spirit for that week. The class that can make the most noise wins the spirit stick. Homecoming week spirit stick winner went to the ninth grade.

The winners of the door decoration contest, which was held earlier in the day, was announced by Zion Chapel's principal Mr. Nelson Whitehurst. First place winner went to the tenth grade, who received a plaque, second place went to the eleventh grade, third place went to the ninth grade and honorable mention was the seventh grade.

The pep rally ended with a special speech from varsity head Coach Tom Moates as he talked about what he wanted to be a victory over the Bears. He then gave special thanks to everyone for their support. He called special attention to the Senior football players and the captains for the team, Brian McLeod and Douglas Evans. As he closed his speech he thanked the Varsity Cheerleaders and their sponsor Mrs. Oggs for all their support. They were all presented with corsages from the coaches and team.

Homecoming night was filled with excitement as the 7 p.m. hour approached. The night began with the introduction of Zion Chapel's Little Mr. and Miss Michelle Sawyer and Jamie Hall, and the Queen and her court. The band played "Feels So Right" as they all came onto the field. The Zion Chapel Chorus then sang the "Alma Mater."

The ballgame began with a moment of prayer. The "Star Spangled Banner" was played by the Z.C. Band as the American Flag was raised.

A victory line and a spirit banner which read "Pride of the South" was made for the varsity football team to run through. As the team came onto the field, the Varsity Cheerleaders let red and white balloons go.

At half-time, the Varsity Cheerleaders did a dance to "Body to Body". The Z.C. Rebel Marching Band performed "Fire Dance" and a drum solo, "Take the A-Train". The band played a special tribute to Florida's Disney World and Sea World which they visited last year. Two of everyone's favorite stars from Disney World, Mickey Mouse and Tinkerbell visited the half-time show. Mickey Mouse was played by Tammy Duncan and Tinkerbell was played by Laura Brown. The band played "Wish Upon A Star" and the Mickey Mouse song. The band ended the half-time performance by playing "C.Jam", "God Bless the U.S.A." and "Dixie".

After the ballgame, everyone was invited to attend the Homecoming Dance which was held in the gym.

The planet Neptune is temporarily the one farthest from the sun. Pluto's orbit brought it inside Neptune's in 1979. It will remain that way until 2000.

Tammy Duncan Is The High Salesman

For the past few weeks the Junior Class, in an effort to raise money to cover expenses of the 1986-87 Junior-Senior Prom, has been selling cassanets, records, and magazines.

The Varsity cheerleaders did a selection could be made from anything ranging from George Jones to Prince or from "Humpty Dumpty" to "Newsweek."

There were prizes awarded for certain amounts sold. When a student had \$200 in sales, he

received a bag radio; when sales totaled \$150, he received a stuffed animal; \$100 a brass "Class of '86" key chain; \$50 - an Alabama or Auburn mug.

Top sales person was Tammy Duncan with \$358.74 sold, second was Melody Bray with \$314.17 and third was Gina Huckabaw with \$289.03.

The total amount of sales was \$3436.46.

COACH WAYNE HOLLEY, ZC's World History teacher, has recently completed a study of China and Chinese Cultures. The students were asked to bring articles to class representative of Chinese Culture. Chopsticks, Chinese clothing, pictures, and money were among the exhibits brought in for presentation. Reports were given on the subjects of jewelry, poems, The Great Wall of China, China's climate, Heart of China and the size and population of China. Each student received a grade on what he or she did. Coach Holley said that he was very pleased at the participation of the class because the students found it very interesting. Lisa Dyess

Kevin plans to attend college after graduation.

Poem Of the Week

SPRINGTIME

LOVE

Lovers holding hands in the park,
Walking silently in the dark.
Whispers of sweet nothings in her ear,
Signs of springtime love is here.
Flowers bloom in early March -
While lovers pledge love in their hearts.
I know springtime love doesn't seem true -
But one day it will happen to me and you!

The high school football season is almost over in a lot of places, but here at The Clipper we're already getting ready for the playoffs, as Elba, New Brockton and Brantley all seem certain to join in on the post-season. I've got news for you -- the season is only getting started.

ELBA CLINCHES SPOT IN PLAYOFFS WITH BIG WIN OVER LOUISVILLE

The Elba Tigers made the ride to Louisville Friday night for a key Area 4 battle and totally enjoyed the visit as they walked to a lopsided 53-0 win over the outmanned Louisville Red Devils. The win was complete and the dominance was clear in every area of the game as Elba took control early and rolled to a 46-0 lead at the half before pulling off the starters. The score was bad, but it could have been a whole lot worse.

The Elba offense moved the ball at will against the Red Devil defense and led by Richard McKinnon rolled up over 300 yards on the ground. McKinnon was almost unstoppable in the middle, while Robert Wilson and Leon

Coleman both looked good running wide. The Tigers' passing game didn't exactly sparkle; however, it did account for one touchdown and a couple of key gains. The offense received numerous gifts from the defense and took advantage of each one to pile on the points.

The Elba defense scored one touchdown and, despite the 53 points scored, had to get much of the credit for the big win. The defense limited Louisville to only 19 yards in total offense and completely shut down the Red Devil running attack, as Louisville backs were stopped for no gain or a loss on 13 of 24 running plays -- a stat that's a little hard to believe. The stars were many on the defensive side of the ball, but the player who stood out the most had to be defensive tackle Troy Sanders, a 230-pound junior who made 8 unassisted tackles, including 4 behind the line of scrimmage. Friday night Troy was like a man playing with boys.

I know the win was an easy one and the level of competition wasn't as good as Elba fans are used to; however, I think it's a tribute to the team to play as well as it did after getting off to such a disappointing start. It would have been easy to quit (and some did) after falling to 1-4, but the Tigers kept working hard at practice and have bounced back to post two Area 4 wins and earn a spot in the 3A playoffs. Clayton and Louisville may not have real strong teams, but at least the Tigers proved to everyone that they weren't losers and had enough pride to give it all they had to spite the record. Some fans may not be excited about going to state and playing the rest of the schedule against very good teams, but I can assure you the players are excited and ready to take on the world. It takes a good team to win and it takes a special kind of team to win and overcome adversity, and I think we've got both here at Elba High. ... Go Tigers!

ELBA FANS AND TEAM FELT RIGHT AT HOME

The Louisville High principal did his best to make everyone feel right at home Friday night as he allowed the Elba fans to sit on the home side of the stadium, and even let the team stay on the home sidelines. Louisville didn't have many bleachers on either side, but by letting Elba have the home side at least everyone who wanted to sit got a chance to. Thanks.

ELBA LITTLE LEAGUE FOOTBALL TEAMS NEAR END OF SEASON

The three Elba youth football teams played their final home games of the season Saturday night and I went down to watch the teams in action and was well pleased with the play of all three teams. I'm not a supporter of Elba sending any youth teams out of town to play each weekend, but if it's the only way the kids can get to play, I guess I'll go along with the current setup. After watching last week's games I think all the coaches deserve a lot of credit for teaching their teams the basics of football. It's not easy to teach a 6-year-old boy to sit still, much less block, but all the coaches did a very good job, and win or lose, all the kids learned a lot.

The man behind the scenes in the youth football league who does a lot of the work and gets very little of the praise is Lamar Kelley. Lamar doesn't have a son, so you can't say he does it for his own kids, but he does love football and youth, and is willing to do whatever is needed to make sure Elba competes in the tri-county league and everything goes smoothly. I asked a parent if the league could exist without Lamar, and the answer I got was a very quick "No." So it's not hard to figure out who is the backbone of the league. Good job, Lamar.

NEW BROCKTON KEEPS ON WINNING IN COUNTY COMPETITION

The county football teams continued their season last week with New Brockton being the only team to break into the win column. The Gamecocks have now won six in a row after an opening loss, and are clearly the tops among the county schools. Here's a quick look at last week's results:

***New Brockton defeated Goshen 23-7 in an Area game and now has a leg up on the Area 5 championship. The Gamecocks were a little flat early in the game, but rode the defense to the win and have established football as the #1 sport in town.

***Zion Chapel lost to Long 28-12 to snap its two-game losing streak, but the Rebels once again battled until the end and showed a lot of pride. Zion Chapel doesn't have a real good record; however, the kids play with all they've got and don't back down from anyone. I've got a feeling that Coach Moates has the Rebel program close to being back on top.

***Kinston lost to Coffee Springs 28-6 for its seventh straight loss and the Bulldogs are now in real danger of posting a winless season. Kinston hasn't given up yet in any game, but it's just not been the year of the "Dog down in Kinston."

STATEWIDE FOOTBALL ROUNDUP SPOTLIGHTS THE WINNERS

The high school football season is heading for the home stretch, and this week it's time to once again look at some of the top teams in all six classes. Here are the teams making the news in other parts of Alabama:

CLASS 1A - The real team to watch is the Alabama School for the Deaf, a team that folks used to take for granted, but that has now posted 7 straight wins and has already clinched a spot in the playoffs. The Silent Warriors have outscored their opponents by large scores in every game and have allowed only 12 points all season.

CLASS 2A - Former Kinston coach Ronnie Cottrell has put the Flomator Hurricanes on the map as he has led the Canes to a 7-0 record and a lofty ranking in the polls. Flomator has outscored its opponents 116-31 and is no doubt a team to watch in the 2A ranks.

CLASS 3A - The two Lamar County teams have been grabbing most of the ink this year, but two other teams to watch are Crossville and Pisgah, both of whom boast 7-0 records. Crossville has dominated its opponents to the tune of 243-7, while Pisgah has allowed only 27 points all season. These two teams are also making big news.

CLASS 4A - The Geneva Panthers have now won six straight games and it looks like the Panthers are for real. It was supposed to be a rebuilding year for the Panthers, but it now looks like this year's team was the backbone of last year's squad and 1986 could be the year for the Panthers to make the record books.

CLASS 5A - Dora has been grabbing all the headlines in the big daily papers, but another team to keep an eye on is the Russellville Tigers. Russellville has gone 7-0 while outscoring its opponents 165-73 and the football-rich Tigers could be on their way to big things.

CLASS 6A - The Carver Wolverines have won six straight games since an opening loss to Robert E. Lee, and it looks like Carver has to be the surprise team in the state in any class. Carver is famous for winning basketball games, but has been a joke in football until recently, and this year it's payback time.

PIGSKIN PICKS FOR WEEK #8

Ye Ole Polish Prognosticator hit on 31 of 34 picks last week and feels the good feeling into the closing weeks of the regular season. The picks get tougher every week, but I'm on a roll and keeping my fingers crossed that my luck holds out. Here we go...

ELBA VS. CHARLES HENDERSON

The Tigers have rolled to two easy wins in a row, while Troy has stumbled all season and has to be disappointed. A win over Elba would head a lot of wounds and the Trojans definitely have the talent to pull it off; however, the Tigers always seem to beat the Trojans, and why should this year be any different?

Elba 13 - Henderson 10

ZION CHAPEL VS. KINSTON

One of the county's true rivalries will unfold Friday night and you can throw the records out the window. The Rebels will be a little short-handed after losing quarterback Sean Collins for the year, but Zion Chapel has shown a sense of pride all season and a win this week would leave a good taste in the Rebels' mouth. M-m-m- Good!

Zion Chapel 18 - Kinston 12

NEW BROCKTON VS. COFFEE SPRINGS

The Gamecocks have struggled in recent weeks due to injuries and won't be at full strength this week either, but New Brockton is tuning up for the 2A playoffs and aren't about to lose that momentum now.

New Brockton 27 - Coffee Springs 6

OTHER PICKS:

Alabama Christian 16 - Coosa County 14 T.R. Miller 42 - Evergreen 6
Louisville 20 - Arton 8 Abbeville 29 - Chavala 7
Brantley 14 - Highland Home 13 Elba 27 - Clarke County 0

COPTER PEST CONTROL

Elba wide receiver Troy Kelley (28) reaches for an overthrown pass in last week's win over Louisville.

Tiger tailback Leon Coleman (34) fights for yardage in Elba's Area 4 win over Louisville. Coleman gained 79 yards in the win.

So long! Elba's Robert Wilson (25) heads for the end zone after scooping up a Red Devil fumble in the Tigers' 53-0 win over Louisville.

Tigers Smash Louisville 53-0

The Elba Tigers scored two touchdowns within a 28 span in the first quarter to take command and never looked back Friday night as they routed the outmanned Louisville Red Devils 53-0 in Louisville.

The extra point attempt failed to clinch a spot in the Class 3A football playoffs.

The win upped Elba's record to 3-4, 2-0 in Area 5 competition, while Louisville slipped to 1-6 overall and 1-2 in the Area.

Elba failed to move on its initial possession of the game; however, the Tigers' Christian Fleming boomed a 47-yard punt down to the Louisville 4-yardline and two plays later Lonnie Dixon recovered a fumble at the 9-yard line to set up an Elba score.

The score came on a 9-yard scamper by Robert Wilson, and Fleming added the extra point to give Elba a 7-0 lead with 6:12 left in the opening stanza.

Louisville returned the ensuing kickoff to the 31-yardline to give the Devils a little breathing room, but Mickey Dunnivant stripped the ball away from a Louisville runner on first down and teammate Robert Wilson scooped up the loose ball and raced untouched 25 yards for Elba's second touchdown in a period of only 28 seconds!

The extra point attempt sailed wide; however, with 5:44 left in the

first quarter the Tigers led 13-0 and the rout was on!

A pass interception by Jason Johnson at the Elba 49-yardline gave the ball back to the Tigers late in the opening stanza and the fired-up Tiger offense needed only two plays to add to its lead. A penalty and a 5-yard run by Wilson moved the ball to the Red Devil 41, and on the next play Elba fullback Richard McKinnon got the call and rambled 41 yards to the endzone. A pass on the two-point attempt failed, but Elba owned a lopsided 19-0 lead with 2:14 still left in the first quarter.

Elba's Troy Kelley returned a Louisville punt 30 yards to the Red Devil 20-yardline on the final play of the first quarter and set up one of the game's shortest, yet most unusual drives.

Richard McKinnon bulled up the middle for an 18-yard gain on second down to put the Tigers on the Devil 2-yardline, but Elba was flagged for two clipping penalties and a motion penalty on three consecutive plays, and after the flags finally stopped

the Tigers found themselves facing a first-down-and-goal at the Louisville 26.

The penalties only seemed to make the Tigers mad; however, as two clipping penalties and a motion penalty on three consecutive plays, and after the flags finally stopped

the Tigers found themselves facing a first-down-and-goal at the Louisville 26.

Elba Hoping To Continue Winning Ways Friday Night

The Elba Tigers will be out to extend their winning streak to three games Friday night when they travel to Troy to battle the Charles Henderson High Trojans, at Troy State's Memorial Stadium.

The SA Trojans, coached by Ronnie Gilliland, will bring a 2-5 record into the battle, with wins over Bullock County 21-6 and Wetumpka 29-19. The Trojan losses have been to Opp 14-13, Ozark 7-0, Eufula

41-7, Andalusia 25-19 and Stanhope Elmore 20-14.

"Troy has a 2-5 record," said Elba's Coach Mack Wood, "but they could easily be 5-2, and they have a very good football team. They

play a tough schedule and have been in every game except one and beat then-undefeated Wetumpka. Don't let their record fool 'ya. Troy has got a mighty good football team."

"On offense," said Wood, "they run a wishbone and use a good variety of plays. They like to play a power game because of their size, but they'll also go outside on the option, and they're not afraid to put the ball in the air. Troy has excellent running backs, a big line and a very good passing game."

"Over on defense they run a 6-2 alignment with 8 men on the line of scrimmage and try to take away the run. They are extremely tough in the middle and have the best two linebackers we've faced this year. Troy has good size in the middle on defense and is as good on both sides of the ball as anyone we've seen."

"If we're to win we'll have to play our best game of the season and give it all we've got on every single down," stated Wood. "Our offensive line must have its best game of the season blocking if we hope to move the ball; we must be quick off the ball and be sound both running and passing."

"On defense we'll have to play a game and not give up the big play. We have to get after the ball on every down and slow down the running attack and stop their power game. Troy has to be looking forward to this game, and I know they'll be ready. This is a big game for both teams, and I look for a tough, hard-hitting game."

When asked about last week's 53-0 win over Louisville, Coach Wood stated, "I was proud to win the Area game on the road and glad every player got a chance to play. I think we showed a lot of class and played real hard the entire game."

The offense came off the ball well all night," said Wood, "and we followed our assignments better than we have in recent weeks. The backs ran hard and everyone played hard every play."

"On defense we were outstanding against the run and played extremely well fundamentally across the front. The defense played like it can play every week."

Elba mounted its only drive of the game in the third quarter as the Tigers drove 36 yards in 11 plays to reach the Luverne 24-yard line. The drive fizzled, however, and the Tigers failed to come away empty-handed.

Luverne scored its final points of the game late in the fourth quarter when the Tigers drove 60 yards in 9 plays against a weary Elba defense to make the final score 12-0.

Reggie Horstead gained 48 yards on 18 carries to lead the Elba offense, while Wade Hart made 12 tackles to pace the defense. Other top tacklers included Anthony Brooks (11), Jackie Stoudemire (9) and Keith Henderson (7).

The Elba Junior High Tigers saw their hopes of an undefeated season come to an abrupt end last Tuesday night when the Luverne Junior Tigers defeated the Tigers 12-0, in Luverne.

The loss left Elba with a 3-1 record, while Luverne improved its state to 2-0 with the win.

Neither team could mount an offensive threateningly in the game as the defenses ruled the contest; however, Luverne completed a 52-yard pass late in the second quarter to put the home team within scoring range and three plays later Luverne got on the scoreboard on a 6-yard run. The run for two points failed, but with 1:32 left in the half Luverne had grabbed a 6-0 lead.

Elba Midget Tigers 30

Opp Midgites 8

The Elba Midget Tigers upped their record to 5-0 with a 30-8 romp over Opp. Elba jumped out to a 16-0 first quarter lead as Shander Daniels and Todd McKee each scored touchdowns, and Sterling Jones and Derrick Jones both scored on two-point conversions.

Sterling Jones broke loose on a 55-yard touchdown scamper in the third quarter and Shander Daniels again added the extra point as the Tigers' lead went to 24-0. A fourth quarter score by Roscoe Coleman rounded out the Elba scoring and made it 30-0. Opp scored late in the game to make the final score - Elba 30 - Opp 8.

Roscoe Coleman gained 87 yards to lead the Elba offense, while Sterling Jones added 70 yards and Shander Daniels added 40. Coleman also led the defense with 4 tackles and Derrick Jones had 3.

Southern Championship Horse Show Set For Oct. 28-Nov. 1 At Montgomery

Montgomery's Garrett Coliseum will be the site of the 30th annual Southern Championship Charity Horse Show, set for Oct. 28 - Nov. 1.

One of the largest and most widely known horse shows in the nation, the event attracts horse lovers from throughout the southeast.

Missed Scoring Chances Haunt Kinston Bulldogs In 28-6 Loss

By: GREG BRUNSON

This past Friday night the Kinston Bulldogs ran into a fine-tuned passing attack led by Marc Moore, and a group of Golden Bears determined to post a homecoming victory. And that is just what they did as Coffee Springs rolled to a hard-fought 28-6 victory.

The Golden Bears took the opening kickoff and quickly marched 76 yards in only 10 plays to light up the scoreboard first. The touchdown came on a 23-yard pass play from Moore to Edward Osborne who made a fine catch. The p.a.t. attempt was no good, leaving the score Coffee Springs 6 - Kinston 0, with 7:21 left in the first quarter.

Kinston took the ensuing kickoff and raced right back up the field. The Bulldogs rushed 12 plays before this drive stalled at the Golden Bears' 11-yardline. Derrick Berry came in to attempt a field goal that was partially blocked, to end this threat.

Early in the second quarter, Coffee Springs took over on downs at the Kinston 46-yardline. It took only one play to cover this distance as Moore again found Osborne behind the Bulldogs' secondary. A pass for

two fell incomplete, making the score 12-0, with 8:47 to play in the first half.

Behind the passing of Dodd Hawthorne, the Bulldogs bounced right back and drove inside the Golden Bears' 10-yardline. However, on fourth-and-three from the 5, Hawthorne was sacked, to halt the drive.

The second half opened with neither team able to get anything going on offense. An exchange of punts gave Coffee Springs a first down at their own 41-yardline late in the third quarter.

The Golden Bears put together a 9-play drive that ended with a 13-yard touchdown pass from Moore to Clint Head. This same combination was good for the two-point conversion to stretch the lead to 20-0 with 11:53 to play in the game.

Dodd Hawthorne returned the kickoff for 60 yards, giving the Bulldogs excellent field position at the 25-yardline. Two fine runs by Lee Carpenter set up a first-and-goal from the 10-yardline. Todd Hawthorne took the handoff up the middle and raced into the endzone. A mishandled snap resulted in failure of the extra point, but the

Bulldogs had cut the lead to 20-6 with 10:49 remaining.

Chad Keith recovered the onside kick attempt but the ball had not traveled the required 10 yards.

An exchange of punts gave Coffee Springs the ball at the Kinston 44-yardline. It took only 3 plays to cover the distance, with Junior McCray carrying the last 15 yards.

Moore passed to Billy Webb for the two-point conversion, to end the scoring with 5:39 to go in the ball game.

The two teams exchanged turnovers before the end of the game, with Todd Clemmons claiming an interception for Coffee Springs and Lee Carpenter recovering a fumble for Kinston.

Final: Coffee Springs 28 - Kinston 6.

short end of the hard-fought 28-12 tally.

Thomas Boswell gained 47 yards on 12 carries to lead Zion Chapel, while Sean Collins added 31 yards on 7 carries and Brian McLeod gained 27 yards on 5 totes.

Long's Keith Munn gained 145 yards on 22 carries to lead all runners.

The free kick gave the New Brockton offense good field position at their own 39-yardline and the Eagles' 2-yardline.

On the first play of the ensuing drive, Eagle running back Danny Ray Jackson was dropped in the end zone for a safety and New Brockton recorded the first score of the game. With 3:14 remaining in the first half the Gamecocks owned a slim 2-0 lead.

Rebel Rally Falls Short In 28-12 Loss To Long

By: DANNY BELCHER

The Zion Chapel Rebels saw a gallant rally fall short Friday night as the visiting G.W. Long Rebels pulled out to a 28-12 lead and held on to post a 28-12 win.

The loss snapped a two-game winning streak for Zion Chapel and left the Rebels with a 2-5 record, while G.W. Long improved its slate to 6-1 with the win.

Neither offense could mount a drive early in the game as the two defenses held the contest; however, G.W. Long got a break midway through the first quarter when Zion Chapel fumbled a punt and the visitors from Skipperville took advantage of the fumble to put a

touchdown on the board.

The score came on a 1-yard plunge by Keith Munn that climaxed a 32-yard drive, and Art Cullifer added the p.a.t. to up the Long lead to 28-6 with 9:24 left in the game.

The Rebels again refused to quit and took the ensuing kick and drove 55 yards in 10 plays to cut the deficit to 28-12. Sean Collins completed passes of 15 yards to Brian Ampong and 11 yards to Robert Smith to spark the scoring drive, while the touchdown came on a 4-yard run by Thomas Boswell with 5:00 left in the game.

The 2-point attempt again failed, but the Rebels were still alive, trailing 28-12 with time on the clock. The Rebels never quit despite the score, and at the end were on the

defensive stand fired up to a 20-0 halftime lead and never looked back Thursday night as they pounded the Opp Junior Bobcats 33-8, in Elba.

The win upped Elba's record to 4-1, while the loss left Opp with a 2-3 slate.

Elba's Tim Caldwell recovered an Opp fumble on the third play of the game to put the Tigers in business at the Bobcat 49-yardline, and it took Elba only 6 plays to cover the distance and light up the scoreboard.

An 11-yard run by Keith Henderson and an 18-yard scamper by Reggie Horstead got the drive off to a quick start and quarterback Kevin Matthews got the score when he reached paydirt on a 9-yard quarterback sneak.

The two-point conversion by Reggie Horstead was successful, and with 4:38 still left in the first half, Reggie Horstead guided the Tigers to a 14-0 lead.

Elba got the ball back on a punt near midfield and promptly drove deep into Opp territory only to be stopped short of the goal line. Reggie Horstead gained 60 yards on 9 carries to spark the drive and Jackie Stoudemire added 19 yards on a reverse, but the drive stalled at the Opp 11-yardline as a penalty against the Tigers slowed the march, and on fourth down Horstead was stopped short of the first down markers.

A 9-yard loss on a quarterback sack by Rob Kirkland backed the Bobcats up to their own 2-yardline, and after a 22-yard punt the Tigers put the ball in play with excellent field position at the Opp 24-yardline.

A 20-yard pass from Kevin Matthews to Joe Brooks moved the ball to the 4-yardline, and one play later Matthews sneaked over from a

yard out to up the Tigers' lead to 14-0.

A two-point pass fell incomplete, but with 2:53 left in the half Elba had taken a commanding 14-0 lead and was in charge.

Elba got the ball back on yet another Opp punt with 1:50 left in the half and while the fans were expecting the Tigers to simply run out the clock, the Tigers had other ideas and needed only one play to add to their lead. Keith Henderson got the call on first down and after breaking a tackle at the line of scrimmage headed for the sidelines and raced 70 yards for a touchdown.

The two-point pass again fell incomplete; however, with 1:26 on the clock the Tigers had pulled out to a surprising 20-0 lead.

Elba received the second half kick and wasted little time adding to its lead as the Tigers drove 63 yards in 6 plays. Reggie Horstead guided the Tigers on only 3 carries and got the touchdown on a 1-yard drive, and although the two-point conversion failed the Tigers were in complete control with a 26-0 lead with 5:55 still left in the third quarter.

Elba's Mark Matthews recovered an Opp fumble on the ensuing kickoff to give the Tigers the ball at the Bobcat 39-yardline, and the Tigers covered the distance in 11 plays to score their final points of the night.

Keith Henderson was the workhorse on the ground for the Tigers during the drive as he gained 23 yards on 4 carries, while a key play in the drive was an 11-yard halfback pass from Reggie Horstead to Jackie Stoudemire on fourth-down-and-10.

The score came on a 7-yard pass from Kevin Matthews to Joe Brooks and Wade Hart added the extra point

to give Elba a 33-0 lead with 3:32 still left in the third stanza.

Elba's Jason Grider recovered an Opp fumble on the following kickoff to give the Tigers the ball right back at the Bobcat 31-yardline, but the Tiger reserves couldn't move and turned the ball over on downs at the Bobcat 27-yard line.

Opp took advantage of the Elba reserves to march 73 yards in 8 plays to score its only points of the game. The score came on a 6-yard run by the Opp quarterback and a pass for two points was successful as the Bobcats closed the gap to 33-8 with 4:22 left in the game.

The Tiger reserves began a drive on their next possession and marched 31 yards in 7 plays to reach the Opp 28-yardline; however, the game ended before the reserves could get into the endzone and at the final horn the Tigers had the win 33-8.

Reggie Horstead gained 127 yards on 18 carries to lead the Tiger ground attack, while Keith Henderson gained 122 yards in 14 carries. Anthony Brooks made 8 tackles to lead the Elba defense, while Keith Henderson made 5 tackles and Jackie Stoudemire added 4.

New Brockton Pulls Away Late To Dump Goshen 23-7

By: JENNIFER CAMPBELL

The New Brockton Gamecocks continued their winning ways last Friday night as they posted their sixth straight win, pulling away in the second half to dump the Goshen Eagles 23-7 in Area competition.

Neither team could mount successful drives early in the contest and as the scoreless first quarter ended Goshen faced second-and-14 at their own 15-yardline. Eagle Danny Ray Jackson got the next two calls and rolled up 25 yards to initiate an impressive Goshen drive.

Quarterback Al Williamson hit end Mike Pelton for a 13-yard gain and Jackson then added another 23 yards on two carries. An offside penalty against New Brockton and 13 yards by Robin Snyder pushed the Eagles all the way to the Gamecock 21-yardline. A would-be Goshen touchdown was called back on a holding penalty, and a second-and-20 Williamson pass was picked off by Gamecock Toby Lee who returned the ball to the Brockton 38-yardline.

The New Brockton offense came out fired up and took only five plays to drive deep into Eagle territory at the Goshen 15-yardline and seemed

headed for paydirt, only to see their hopes fall as a Curt Smith pass was tipped into the waiting arms of Goshen's Robin Snyder at the Eagles' 2-yardline.

On the first play of the ensuing drive, Eagle running back Danny Ray Jackson was dropped in the end zone for a safety and New Brockton recorded the first score of the game. With 3:14 remaining in the first half the Gamecocks owned a slim 2-0 lead.

The free kick gave the New Brockton offense good field position at their own 39-yardline and the Eagles' 2-yardline.

On the first play of the ensuing drive, Eagle running back Danny Ray Jackson was dropped in the end zone for a safety and New Brockton recorded the first score of the game. With 3:14 remaining in the first half the Gamecocks owned a slim 2-0 lead.

WE CARE ABOUT YOU

'Round And About With Eria

By Eria Belcher

Do you best to present yourself to God as an approved, a workman who has no need to be ashamed, rightly handling the word of truth. - 2 Tim. 2:15

You search the Scriptures, because you think that in them you have eternal life; and it is they that bear witness to me. John 5:39

All Scripture is inspired by God and profitable for teaching, for reproof, for correction and for training in righteousness. - II Tim. 3:16

We have this treasure in earthen vessels, to show that the transcendent power belongs to God and not to us. - 2 Cor. 4:7

**Thinking of you, praying for you: Lula Cole, Mr. Buford Kelley, Mr. Odie Williams, Mrs. Juanita Brooks, Mr. Rayfield Carpenter, Mrs. Fannie Brooks, Mrs. Meliza Walker, Mrs. Elizabeth Young, Mr. Preston Blake, Mr. David Rogers

**Happy Birthday wishes to: Kevin J. Robinson and Danny Belcher - Oct. 12; Samuel Fisher - Oct. 13; Demetrius Caldwell - Oct. 15; Roderick Caldwell, children and Everette Askew - Oct. 16; Mary Redman, Barbara Kelley, James Fleming Jr., Steve Petty, Helder Allen, Alvin M. Eatsey and Keith A. Shipman - Oct. 19.

**Ernestine Kelley, Melissa and Winston, Vera Williams and Eria Belcher visited Mr. and Mrs. John D. Caldwell (Velma) last Friday.

This world that we're livin' in 's mighty hard to beat; You get a thorn with every rose, But ain't the roses sweet?

Annel Brooks

Mr. and Mrs. Lester Burnett (Annie Lee), Andalusia, visited Grover and Eria Belcher last Sunday.

**Mrs. Inez Middleton, Katherine, Lela and William Middleton, Victoria Jenkins, Maxwell and Mary Hooks, all of Andalusia, attended worship service at the Rocky Head M.B. Church last Sunday.

**Be good and let Heaven answer for the rest. Edward Young

Mr. and Mrs. Caldwell were born in Coffee County to Noah Caldwell and Eldora Ausbrooke Caldwell.

Mrs. Velma Windham Caldwell was also born in Coffee County; her mother was Ada Windham.

They attended Yelverson School in Coffee County. The teachers they remember are Prof. Charlie Hammond, Mrs. Cunningham; Hamilton, Grubbs, Corbett and Yelverson.

In talking about the days that used to be, they both agreed that times were hard. Each grew up on a farm; there was hoeing, chopping and picking cotton for 15 cents and 30 cents a hundred; hoeing, shaking and stacking peanuts; pulling corn and hauling to the corn crib.

Then it had to be shocked and shelled by hand and carried to the mill to be ground for meal.

Sometimes the corn, cotton and peanuts had to be re-planted because a "good stand" didn't always come up.

"The houses we lived in had big cracks in the roof and we could count the stars looking through those cracks. In the winter time the rooms would be cold! The rooms were heated by fireplaces and wood-burning heaters, and we would have to cut down trees and saw them for firewood."

"Our parents were strict. If we went anywhere we had to be home before dark. Our parents were never asked, 'Do you know where your children are?' They knew we were home."

"Another thing - we had to go to church and we stayed all day. Whether we wanted to go or not, we went."

"We lived in 'Hoover times.' "

THE CALDWELLS Meet The Caldwell

I asked Mr. John D. why he called it "Hoover times." "Well," he said, "Hoover was president at that time and he was blamed for the tough times we were having. It was rough. We could hardly get anything. There wasn't any use asking for what we thought we wanted because we couldn't get what we needed."

Our family - 4 girls and 3 boys: Minnie Mae, Lula and Clarence are deceased; Lucile, Dewey and ME are still living. ("I smiled at the way he said that.")

Mrs. Velma had one brother - Columbia Windham - who is deceased.

Mr. and Mrs. Caldwell are members of Mt. Calvary M.B. Church, Elba. Rev. John E. Jones, pastor. He is a deacon and Mrs. Caldwell is church secretary.

Mr. and Mrs. Caldwell are members of the church secretary, the Missionary Society; member of the Eastern Star, Equity #119 and Ladies Aid Missionary Society #109, Elba.

Mr. John D. retired from farming in 1967. For a number of years he was a janitorial employee at Enterprise State Junior College. He has an award which reads "The Elba State Junior College - Oct. 1980"

The Caldwell's are blessed with eight children: Catherine (Neal, Lorraine (Brown), Wilbert, Cecil, Zelma, Bobby, James and Adolph. They have 34 grandchildren and 28 great grandchildren.

Hard work, trusting in God and each other, times and life for them are better. Their beautiful home on Rt. 4, Elba, is their pride and joy. Mr. John D. and Mrs. Velma are your most kind during my visit. God bless.

**We have a good day and God bless, ERIA

FAMILY TALK

BY: Glenda M. Frazier

Last week we talked about what a family is. Families can teach children the importance of family by practicing togetherness which is to say they are loyal to each other. Each of the family members is one

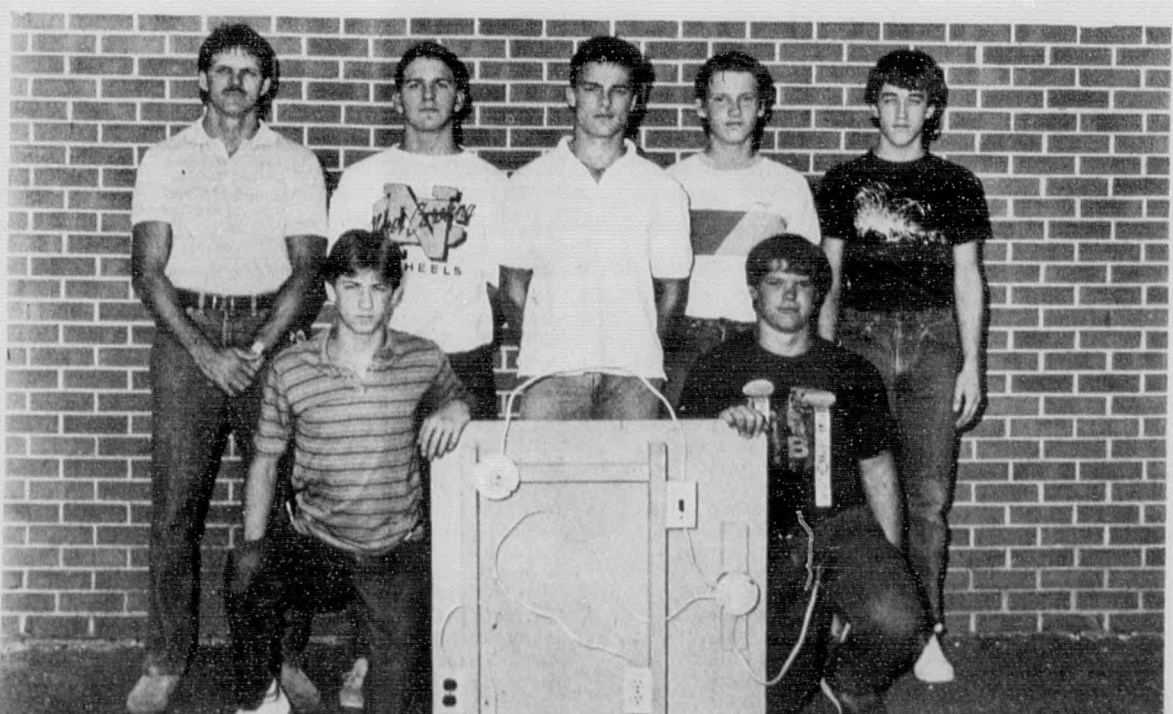

of the cheering squad for every other family member. They volunteer their help and support without being asked. They give gladly and freely because they care about what happens in their family.

One of the best ways for families to get to know each other and learn to appreciate special qualities in their family members is by spending quality time together. There is such a great difference in quality time and quantity time. Consider the difference in one hour spent with family where children learn the great value of togetherness and three hours spent in front of the television watching whatever moves on the screen. Think of the value of an afternoon spent in recreation with the family where children learn the true meaning of sportsmanship and competition. They also learn the value of team work for they are part of the most important team of all - their family.

Through quality time spent together, each family member is able to develop their special qualities. Each family member learns to appreciate the usefulness of quality time for what it is - a time for growing and learning.

Spending quality time with family is worthwhile and pays great dividends. The word quality itself means excellence. Strive for excellence in your family. After all, it only takes a little quality time. Before you know it, the children are grown and then the question must be asked, "Where did the time go?"

Thought: Time is a circus always packing up and moving away. - Ben Hecht

FFA FEATURE . . . Mr. Mike Carley's 2nd year Vocational Agriculture students are shown here with an electrical study panel. The students were taught the basics of electricity during this course. The students followed Mr. Thrash from Covington Electric Cooperative instructed this course. The students Carley, Tim Sullivan, Barry Bryan, Matt Henderson, Ron Bryant, Chris Grantham, and John Lindsey.

RAISE THE FLAG... Members of the Elba Senior Girl Scout Troop raise the new United States flag after receiving it from Cong. Bill Dickinson. The flag flew over the United States Capitol during the month of September.

Rep. Bill Dickinson

Dickinson presents new flag to Elba High

Alabama Congressman Bill Dickinson was in Elba Tuesday, Oct. 21, to present a flag to the student body of Elba High School. The flag flew over the nation's Capitol and will replace the school's flag that had been used for several years.

Sheriff Paul to meet with citizens

Sheriff Brice Paul will meet with the Pinecove and Pinedale residents' Crime Watch Committee this evening (Oct. 23) at 7 o'clock, at the home of Jerry Brown.

RESIDENTS OF HAUNTED HOUSE? ... These four beings were photographed early this week outside Elba's Haunted House. The Elba Jaycees will open the house to the public next week.

Historic paintings on display at courthouse

The historic Coffee County Courthouse in Elba added a touch of local history recently when two large wall murals depicting the early history of Elba were placed in the upstairs courtroom.

The murals, painted by the late Lamar S. Rainer Jr., in cooperation with the Art Department at Troy State University, were originally on display at The Peoples Bank in Elba, and were unveiled at the bank's grand opening following the construction of the new bank building on Claxton Avenue.

The murals hung in the bank's community room until recent interior renovation left no place for them on the wall.

Mr. Rainer served as president of the bank until his death and left the historic paintings for the enjoyment of all interested in local history.

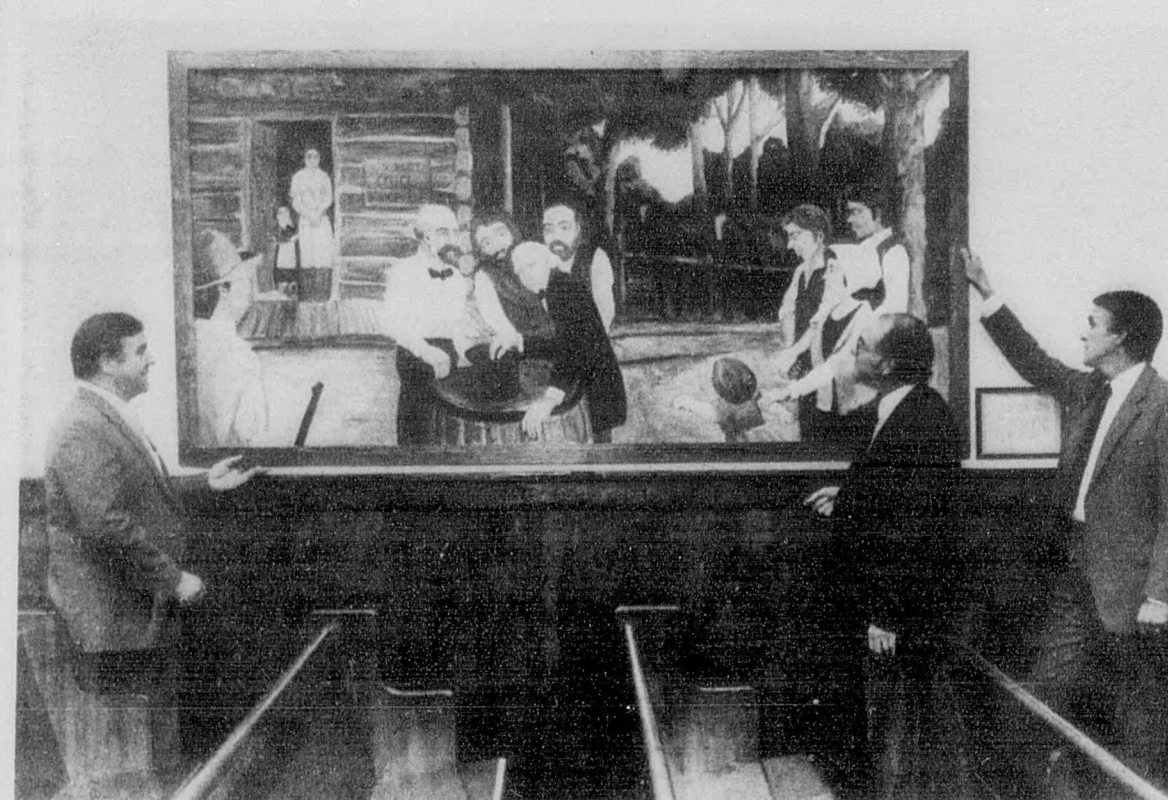

The murals in the courtroom are two of six that serve to tell a story of the early days of the city of Elba. The complete collection includes paintings of the naming of Elba, the burning of the courthouse, a salute to education in Elba, the coming of the railroad, the first brick courthouse and the popular ferry that served as the means of crossing the Pea River.

Coffee County Probate Judge Marion Brunson, a noted author and historian, stated, "We are honored to house the paintings in the courthouse and feel all the citizens of Elba and Coffee County should be proud of them and the stories they tell. I invite all citizens to visit their courthouse and look at these beautiful paintings."

The late Mr. Rainer loved history and the city in which he lived, and these paintings serve to keep the history of our town and the talent of Mr. Rainer alive forever.

The paintings, which measure four feet by eight feet, depict the naming of the city and the burning of the courthouse.

In telling the story of the paintings at the courthouse, Judge Brunson first told of the naming of Elba.

ADMIRE HISTORIC PAINTING... Coffee County Probate Judge Marion Brunson (left) and officials of The Peoples Bank admire a large wall painting in the county courthouse depicting the early history of Elba. The bank loaned the painting to the courthouse as well as a second painting that hangs on an opposite wall. Bank officials are vice president Kenneth Grantham (far right) and president Charles Steedlove.

"The citizens of the city were not pleased with the name Bentonville and decided to choose a new name by putting names in a hat and picking out one," said Brunson.

"John B. Simmons had recently read a book about Napoleon being exiled to the Isle of Elba, off the Italian coast, and placed the name 'Elba' in the hat. The name was drawn out and from that day forward the name of the community has been Elba."

"The new name was extremely popular with all the citizens and in honor of the man that named the community, the bridge across Pea

River near downtown Elba was named the John Simmons Bridge.

"The second painting concerning the burning of the courthouse is one of my personal favorites," stated Brunson.

"Back on the morning of Sept. 3, 1863, Jim Ward and his raiders rode into town and burned the courthouse to get revenge on the people of Elba for turning them in. Uncle Mundy Hammonds, an elderly black man that served as night watchman at the courthouse, saw the men set fire to the building, which was a two-story, white frame building. It went up in

flames quickly and Sheriff Robert Peter Brooks and the city's town guard pursued the vandals and caught up with them near what is now the Fairview Community. A fierce gun battle occurred, at which four men were killed, including Sheriff Brooks, giving the name 'Battle Branch' to the creek at the scene of the fight."

Judge Brunson beamed with pride as he viewed the paintings and told the stories and was sincere when he again issued an invitation to anyone wanting to view the paintings and share a moment of history.

County businesses notified of tax increase

The Alabama Dept. of Revenue notified all businesses in Coffee County this week that the state had authorized the governing body of Coffee County to adopt a 1-cent sales tax for educational purposes in the county and that collection of the tax would begin Nov. 1, 1986.

The tax ordinance No. 1 levies a sales tax effective Nov. 1 as follows:
General rate 1%
Admissions to places of amusement and entertainment 1%
Cost of food for human consumption sold through vending machines 1%
Net difference paid for machines, machinery and equipment used in planting, cultivating and harvesting farm products 1 1/2 of 1%
Machines and parts and attachments for machines used in manufacturing tangible personal property 1 1/2 of 1%
Net difference paid for all automotive vehicles, truck trailers, semitrailers and house trailers 1 1/2 of 1%

The ordinance also levies a use tax on tangible personal property purchased outside Coffee County for use, storage or other consumption within Coffee County. The rates for use tax are the same as the rates for sales tax.

FOLSOM PRESENTS KEYS TO VAN... Robert Folsom, of Elba, presents the keys to the van pictured above to Sara Free, director of the Coffee County Training Center. Folsom donated the van to the Center in memory of his son Bobby. Also pictured are Lillian Dickson of the South Central Alabama Mental Health Board; Johnnie McCall, project chairman of the Luncheon Pilot Club, which donated funds to help purchase a fence around the Center's greenhouse; Bobbie Harrell, a longtime supporter of the Center; Olive Wesley, president-elect of the Luncheon Pilot Club, and Mary Sue Kelley, who presented a check to the center from the Damascus Baptist Church.

Folsom donates van to county training center

The Coffee County Training Center received a valuable gift last week when Robert Folsom of Elba donated a customized van to the center to help transport students to various locations across south Alabama.

The training center serves

mentally retarded adults in Coffee County and is located in Enterprise. Folsom, a former mayor of Elba, made the donation in memory of his son Bobby and told center officials that they could use the vehicle any way possible to help the students.

Also presenting a donation to the

center last week was Mrs. Mary Sue Kelley, who gave the center a cash donation on behalf of the Damascus Baptist Church. The church holds a softball tournament annually for retarded citizens and the funds received at the event go to the local center.
